## Free SMA ACTIVE warranty extension

The Sunny Boy 3.0–5.0 inverter with SMA Smart Connected offers PV system operators true ease and comfort. Weighing in at only 16 kilograms, the device can be quickly installed and easily commissioned via smartphone or tablet. If there is an internet connection, automatic inverter updates ensure the device is always up to date.

### Limited offer

An extra 5-year warranty and €40 installer cashback from July 1 until December 31, 2018.

### Customer profit 5+5:

PV system operators who purchase a Sunny Boy 3.0–5.0 inverter will benefit from their 5-year factory warranty being extended by an additional five years SMA Active extended warranty, free of charge. PV system operators will thus benefit from a 10-year warranty\* on their new inverter.

The only condition is the registration of the inverter on Sunny Portal within the promotion period.

### Your profit: €40 cashback

During the promotion period, you may claim €40 cashback for every Sunny Boy 3.0–5.0 inverter in the promotion. To claim your cashback, you need to register via the online registration tool on the SMA website [www.sma.de/en/summer-promotion](http://www.sma.de/en/summer-promotion). During the registration you must provide the unique serial number and the purchase invoice with a date during the promotion period. It is possible to register more than one promotion inverter at the time. The cashback is paid within 3 weeks after a valid registration.

### Secure two promotion benefits: General terms and conditions

- The promotion is available from July 1 to December 31, 2018.
- The promotion applies to all countries in the European Economic Area, Switzerland and Israel.
- The offer only applies to the SB3.0-1AV-40, SB3.6-1AV-40, SB4.0-1AV-40, SB5.0-1AV-40 inverters that are provided with a red promotion label. It can be found on the outside of the inverter packaging.
- The cashback can only be paid via bank transfer.
- The serial numbers of the promotion inverters are saved at SMA. It is not possible to transfer these to unmarked devices.
- Inverter serial numbers not saved at SMA are excluded from the promotion.

More details on the terms and conditions can be found at [www.sma.de/en/summer-promotion](http://www.sma.de/en/summer-promotion).
